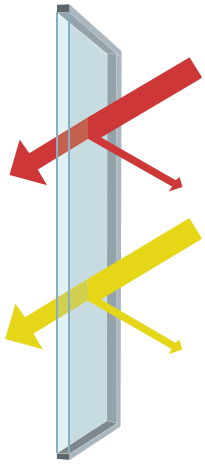
Glass Options

Low-E Glass Also Available
Low-E glass is the solution for long-term exposure to high temperatures by allowing full visibility, while providing a barrier from the sun. Low-E glass is only available for Raynor StyleView doors with insulated glass.

Glazing options range in a variety of colors and thickness including: 1/8", 3/16", 1/4" and 1/2" insulated.

See below for glass options.



Hardware Options

EnduraCote™ Options
For a clean, finished look and maximum protection against rust, Raynor StyleView™ doors are available with a powder coated hardware system. The EnduraCote™ Hardware System features extended-life torsion springs and powder coated hardware. Nylon rollers with steel ball bearings also help to provide superior noise reduction.

Raynor Prodigy™ III

Offering Space-Saving Operation
Space saving and heavy lifting, the Raynor Prodigy III is the ultimate garage access solution. This opener comes fully equipped with must-have features including built in WiFi for smartphone control, MyQ® Remote LED light, integrated battery backup, and the automatic garage door lock.

Raynor Sentinel™ 360

See What Matters
Sentinel 360 is built with an integrated HD camera which lets you see who is coming and going in your garage through a live feed via the myQ app. Not only can you monitor your garage via the camera, but the integrated LED Corner to Corner lighting system provides a 360° ring of LED light to uniformly brighten every corner of the garage.

Professional Installation and Service

Depend on your Raynor Dealer
When you select Raynor, you're not just getting a superior garage door - you're also getting professional garage door installation and service expertise.

Every Raynor garage door is installed by a trained Raynor professional, and that means added benefits for you. First, you won't have to deal with it yourself. Second, because it's done right the first time, your door will deliver performance and reliability from the day it's installed. Your technician will check your door for everything from safety to performance and appearance. Trust your Raynor garage door to someone who knows it better than anyone else, your professional Raynor Dealer.
